

Rechargeable LED Flashlight, Turbo Model (Dual Switches)

[Review 1 for 16WFP](#)
[Review 2 for 16WFP](#)

16WFP RCHG LED Light
5200 mAh Li-ion battery

Retail \$249.95

Optional:

- [Forward Clicky Tail Switch](#)
- [12V DC charger \(SNLCG4612\)](#)
- [Headset attachment](#)

Throw a super tight beam over 600 ft with good spill

- Multi-chip LED head
- Over 580 lumen (Tail Switch)
- Around 130 lumen (Side Switch)
- Runs 1.5 hrs (Tail), 10 hrs (Side)
- No donut hole even with SMO reflector
- 6-hour recharge
- Type III Hard anodized
- Toughened UCL glass lens
- Belt pouch included
- AC charger included (SNLWG4612)

16WFP RCHG LED Light
2600 mAh Li-ion battery

Retail \$219.95

Optional:

- [Forward Clicky Tail Switch](#)
- [12V DC charger \(SNLCG4612\)](#)
- [Headset attachment](#)

Throw a super tight beam over 600 ft with good spill

- Multi-chip LED head
- Over 480 lumen (Tail Switch)
- Around 130 lumen (Side Switch)
- Runs 50 min (Tail), 5 hrs (Side)
- No donut hole even with SMO reflector
- 3-hour recharge
- Type III Hard anodized
- Toughened UCL glass lens
- Rubber sleeve for gun mounting
- Belt pouch included
- AC charger included (SNLWG4612)

[Review for 8WFP](#)

8WFP RCHG LED Light
4400 mAh Li-ion battery

Retail \$185.00

Optional:

- [Forward Clicky Tail Switch](#)
- [12V DC charger \(SNLCG4612\)](#)
- [Headset attachment](#)

Throw a super tight beam over 600 ft

- 300 lumen (Tail Switch)
- 240 lumen (Side Switch)
- Runs 3 hours (Tail)
- 6-hour recharge
- Toughened glass lens
- Belt Pouch included
- AC charger included (SNLWG4612)

8WFP RCHG LED Light
2200 mAh Li-ion battery

Retail \$150.95

Optional:

- [Forward Clicky Tail Switch](#)
- [12V DC charger \(SNLCG4612\)](#)
- [Headset attachment](#)

Throw a super tight beam over 600 ft

- 300 lumen (Tail Switch)
- 240 lumen (Side Switch)
- Runs 1.5 hours (Tail)
- 3-hour recharge
- Toughened glass lens
- Rubber sleeve for gun mounting
- Belt Pouch included
- AC charger included (SNLWG4612)

Rechargeable LED Flashlight, Turbo Model (Dual Switches) ---continued

Turbo RCHG LED Light 2200 mAh Li-ion battery

Retail \$138.95

Optional:

- [Forward Clicky Tail Switch](#)
- [12V DC charger \(SNLCG4612\)](#)
- [Headset attachment](#)
- [Color Turbo LED, Including IR](#)

The smallest rechargeable flashlight **The brightest for its size**

- 220 lumen (Tail Switch)
- 180 lumen (Side Switch)
- Runs 3 hours (Tail)
- 3-hour recharge
- Rubber sleeve for gun mounting
- Belt Pouch included
- AC charger included (SNLWG4612)

CR123 version LED Flashlight

8WFP Strobing LED Flashlight 2 CR123 lithium batteries

Retail: \$99.00

Optional:

- [Forward Clicky Tail Switch](#)
- [Headset attachment](#)

Strobing frequency will not cause seizure

- over 250 lumen (Twisty Tail Switch)
- Side switch selects between standard and strobe mode
- Runs 1 hour
- Rubber sleeve for gun mounting
- Belt Pouch SNLBP35 included

Turbo Strobing LED Flashlight 2 CR123 lithium batteries

Retail: \$80.00

Optional:

- [Forward Clicky Tail Switch](#)
- [Headset attachment](#)
- [Color Turbo LED, Including IR](#)

Strobing frequency will not cause seizure

- 160 lumen (Twisty Tail Switch)
- Side switch selects between standard and strobe mode
- Runs 2 hours
- Rubber sleeve for gun mounting
- Belt Pouch SNLBP27 included

Turbo Jr. LED Flashlight 1 CR123 lithium batteries

Retail: \$80.00

Optional:

- [Forward Clicky Tail Switch](#)
- [Headset attachment](#)
- [Color Turbo LED, Including IR](#)

Add Rubber Sleeve, Pressure Button and Gun Mount to make a pistol light

- 160 lumen (Twisty Tail Switch)
- Runs 1 hour

RCHG LED Flashlight, Eagle Model (Allows for Magnetic Endcap)

200-lumen Red Eagle
2200 mAh Li-ion battery

Retail \$159.21

Optional
---[12V DC charger \(SNLCG4612\)](#)

Comes with:

- Magnetic Endcap
- Detachable 4-inch Flexible Tube
- 200 lumen
- Runs 3 hours after 3-hour recharge
- Aluminum reflector
- Toughened glass lens
- Belt Pouch SNLBP27 included
- AC charger included (SNLWG4612)

160-lumen Black Eagle
2200 mAh Li-ion battery

Retail \$123.25

Optional
---[Magnetic Endcap](#)
---[Flexible Tube](#)
---[12V DC charger \(SNLCG4612\)](#)

- 160 lumen
- Runs 3 hours after 3-hour recharge
- Aluminum reflector
- Toughened glass lens
- Belt Pouch SNLBP27 included
- AC charger included (SNLWG4612)

110 lumen Eagle (blue, silver)
2200 mAh Li-ion battery

Retail \$112.00

Optional
---[Magnetic Endcap](#)
---[Flexible Tube](#)
---[12V DC charger \(SNLCG4612\)](#)

- 110 lumen
- Runs 3 hours after 3-hour recharge
- Belt Pouch SNLBP27 included
- AC charger included (SNLWG4612)

AAA version LED Tool Light

120 lumen Eagle TriA
LED Tool Light
3 AAA batteries

Retail \$68.79

Comes with:

- Magnetic Endcap**
- Detachable 4-inch Flexible Tube**
- 120 lumen
- 3 AAA batteries
- Runs 5 hours
- Aluminum reflector
- Belt Pouch SNLBP27 included

Rechargeable LED Utility light (Turbo Model, or Eagle Model)

8W RCHG LED Utility Light
4400 mAh Li-ion battery

Retail \$189.50

Optional:

- [Forward Clicky Tail Switch](#)
- [12V DC charger \(SNLCG4612\)](#)
- [Headset attachment](#)

Brightness and light coverage equal to a 13-watt 2-tube Fluorescent Utility light. Only consumes 5 watt

- Over 300 lumen (Tail Switch)
- 160 lumen (Side Switch)
- Wide angle flood light
- Side magnet and multiposition hook
- flexible neck
- Runs 3 hrs (Tail), 10 hrs (Side)
- 6-hour recharge
- Toughened glass lens
- AC charger included (SNLWG4612)

[Review 1 for Utility LED head](#)
[Review 2 for Utility LED head](#)

8W RCHG LED Utility Light
Turbo Model
2200 mAh Li-ion battery

Retail \$159.50 each

Optional:

- [Forward Clicky Tail Switch](#)
- [12V DC charger \(SNLCG4612\)](#)
- [Headset attachment](#)

The three standard **black rubber sleeves** can be replaced with three **red or blue rubber sleeves**

Brightness and light coverage equal to a 13-watt 2-tube Fluorescent Utility light. Only consumes 5 watt

- Over 300 lumen (Tail Switch)
- 160 lumen (Side Switch)
- Wide angle flood light
- Side magnet and multiposition hook
- flexible neck
- Runs 1.5 hrs (Tail), 5 hrs (Side)
- 3-hour recharge
- Toughened glass lens
- AC charger included (SNLWG4612)

8W RCHG LED Utility Light
Eagle Model
2200 mAh Li-ion battery

Retail \$159.50

Optional:

- [Magnetic Endcap](#)
- [12V DC charger \(SNLCG4612\)](#)
- [Headset attachment](#)

Housing in **Black, Red or Blue**

Brightness and light coverage equal to a 13-watt 2-tube Fluorescent Utility light. Only consumes 5 watt

- Over 300 lumen
- Wide angle flood light
- Side magnet and multiposition hook
- flexible neck
- Magnetic Endcap
- Runs 1.5 hrs
- 3-hour recharge
- Toughened glass lens
- AC charger included

AAA version LED Penlight

100 lm Slim 3W LED Penlight
3 AAA batteries

Retail \$46.95

Optional

- [Headset attachment](#)
- [flexible tube](#)
- [Slim color LED, UV, blue, green](#)

Fit in shirt pocket
Rubber sleeve comes off

- 100 lumen
- Runs for 7 hours
- Recessed toughened glass lens
- Rubber sleeve included

Housing in Black, Silver, Red, Blue and Pink

65 lm Slim 1W LED Penlight,
3 AAA batteries

Retail \$40.59

Optional

- [Headset attachment](#)
- [Flexible tube](#)
- [Slim color LED, UV, blue, green](#)
- [Rubber sleeve](#)

Fit in shirt pocket
Optional Rubber sleeve

- 65 lumen
- Runs for 10 hours
- Recessed toughened glass lens

Housing in Black, Silver

AAAA version LED Penlight

30 lumen Slim Jr. LED Penlight
3 AAAA batteries

Retail \$29.28 each

Optional

- [flexible tube](#)
- [Slim Jr. Color LED emitting UV, blue, green and red light](#)

Fit in shirt pocket
Housing: Red, Pink, Blue, Silver, Gold and black

- 30 lumen
- Runs for 6 hours
- Recessed glass lens

UV LED Penlight (AAA version, or AAAA version)

Slim 2 W UV Light -365 nm
3 AAA batteries

Retail \$119.00

Optional

- [Headset attachment](#)
- [Flexible tube](#)
- [Slim color LED, UV, blue, green](#)

Can cure UV-cure adhesives
We can customize higher output application

- Narrow spectrum with the half width of about 12nm.
- Runs for 10 hours
- Recessed toughened glass lens

Slim 1 W UV Light- 395 nm
3 AAA batteries

Retail \$66.27

Optional

- [Headset attachment](#)
- [Flexible tube](#)
- [Slim color LED, UV, blue, green](#)
- [Rubber sleeve](#)

For UV Leak detection, Never need amber glasses

- Narrow spectrum with the half width of about 12nm.
- Runs for 10 hours
- Recessed toughened glass lens

Slim Jr. 0.7 W UV Light - 395nm
3 AAAA batteries

Retail \$38.00

Optional

- [flexible tube](#)
- [Slim Jr. Color LED emitting UV, blue, green and red light](#)

For UV Leak detection
Small enough to go in tight areas

- Narrow spectrum with the half width of about 12nm.
- Runs for 6 hours
- Recessed toughened glass lens
